## Minutes of October 10, CCOC Legislative Committee Meeting

**Committee Action:** Review and approve with amendments as necessary.

The Legislative Committee of the Clerk of Courts Operation Corporation (CCOC) held a meeting via WebEx on October 10, 2019. CCOC distributed the agenda and materials in advance of the meeting and posted them on the CCOC website. Provided below is a summary of staff notes from the meeting. These staff notes document committee action and are not a full record of committee discussions. All motions adopted by the committee are in **bold** text, and all CCOC staff action items based on committee direction are in red and **bold** text.

### 1. Agenda Item 1 – Call to order and Roll Call

Clerk Timmann, Chair of the Legislative Committee, called the meeting to order. Jason Welty, CCOC Budget and Communications Director, called the roll.

Present for the meeting: Honorable Clerk Timmann, Clerk Bexley, Clerk Chorvat, Clerk Cooney, Clerk Green, Clerk Kinsaul, Clerk Mattox, Clerk Marshall, Clerk Roth, Clerk Ruvin, Clerk Vick

Absent from the meeting: Honorable Clerk Conrad and Clerk Spencer

### 2. Agenda Item 2 – Introduction and Agenda Approval

Clerk Timmann thanked everyone for their presence. She expressed her appreciation for everyone's attendance and support.

**Clerk Vick motioned to approve the agenda, seconded by Clerk Marshall. Hearing no objections, the committee adopted the motion.**

### 3. Agenda Item 3 – Approve Minutes from September 26, 2018 Meeting

The minutes from the last meeting on September 26, 2018, were presented for approval.

**Clerk Chorvat motioned to adopt the minutes from the September 26, 2018 meeting, seconded by Clerk Vick. Hearing no objections, the committee adopted the motion.**

4. Agenda Item 4 – Florida Sunshine Law Review

Clerk Timmann asked Jason Welty to review this agenda item. Mr. Welty explained that he included this for new clerks and let everyone know that they can reference the meeting packet for information. Clerk Timmann asked for any questions or concerns about this agenda item. There were none.

5. Agenda Item 5 –REC Funding Continuity Plan

Clerk Timmann explained that the Revenue Enhancement Committee (REC) provides one of CCOC's statutory duties to make recommendations for adequate funding for the clerks. The REC Funding Continuity Plan is the main reason for this meeting. Clerk Timmann acknowledged Clerk Tiffany Moore Russell and the REC Committee's arduous work on the Funding Continuity Plan and asked Mr. Welty to explain the contents of the plan.

Mr. Welty referenced page 27 of the packet, including a memo with contents of the Funding Continuity Plan, explaining that much of the content in this year's plan is from many suggestions given over the last two years. Mr. Welty went over each item in the REC funding plan. Clerk Timmann thanked Mr. Welty and asked for questions.

Clerk Vick thanked Mr. Welty and congratulated him on a fantastic job. Clerk Vick asked for statistics supporting the calculated reimbursement costs identified in the plan. Mr. Welty explained that the estimates presented were from CFY 2017-18. Clerk Vick asked if CCOC would recalculate this information with more recent data. Mr. Welty let her know that he would update the numbers.

Clerk Vick wanted to confirm that this form would become the template for plans with the Legislature. Clerk Timmann clarified that this plan does not necessarily transfer over to the Legislature but helps the committee identify the statutory requirements. Clerk Timmann explained that this plan is not a part of the legislative agenda for this year, but the clerk's legislative team would use the numbers provided as a resource.

Clerk Vick stated that the stabilization fund is a great idea. Clerk Vick asked Mr. Welty if there is a recommended percentage maintained in the stabilization fund. Mr. Welty explained that the REC members discussed creating a stabilization fund, not necessarily its implementation.

Clerk Frank referenced an item in Article V funding, allowing offices to collect fines for offices' operation. Clerk Ruvin asked if this meeting was at all for any legislative initiatives for the upcoming session. Clerk Timmann replied that it is not directly related to the clerks' legislative priorities.

Clerk Vick asked when the next meeting will occur and about the next step in moving these recommendations forward. Clerk Timmann explained that the first step was going over the plan, and the second step would be to present it to the Executive Council. Clerk Timmann stated that she would like Clerk Moore Russell to have an opportunity to discuss the plan before using the information or submitting it to the Legislature.

There were no other questions.

**Clerk Vick motioned to approve the REC Funding Continuity Plan. Clerk Green seconded the motion. Hearing no objection, the committee adopted the motion.**

6. Agenda Item 6 –Bill Analysis Process

Clerk Timmann stated that this process is vital in the committee's work. Clerk Timmann asked Mr. Welty to go over this process for this year. Mr. Welty explained that, on average, CCOC receives over 40 fiscal analyses from the Legislature. By formally analyzing bills and submitting them to the Legislature, clerks would have a more significant opportunity to influence pending legislation. Mr. Welty explained the procedure listed in the meeting packet.

Clerk Timmann thanked Mr. Welty and reviewed the benefits of the analysis process. Clerk Timmann encouraged clerks to participate in the analysis process. Clerk Timmann asked if there were any questions.

Clerk Vick thanked everyone at CCOC for working so hard on this bill analysis process. Clerk Timmann agreed.

There were no questions.

7. Agenda Item 7 –Other Business

There was no other business. The meeting adjourned.

## AGENDA ITEM 4

**DATE:** January 22, 2021  
**SUBJECT:** CCOC Legislative Budget Request  
**COMMITTEE ACTION:** Discussion

**OVERVIEW:** The past two sessions, CCOC and the Legislative Committee, chaired by Clerk Carolyn Timmann, worked closely with the FCCC Legislative Committee, chaired by Clerk Tom Bexley, on the legislative priorities for the clerks. During the 2019 Session, FCCC advocated for the Clerks Serve Florida Act, which included many structural changes to the budgeting development for the clerks. **The Legislature accepted many of these ideas, which resulted in an additional \$15.8 million for the clerks' CFY 2019-20 budgets.** In the 2020 Session, FCCC advocated for efficiencies in the clerk processes with a glitch bill and a bill for the juror management payment process.

This year, the FCCC team will continue to advocate for the clerk efficiencies and is expanding the advocacy to include additional budget related issues under the banner of the At Your Service 2021 Legislative Priorities. CCOC continues to be involved in the advocacy of these clerk priorities, as the changes made in the **Service Stabilization bill** will bring needed consistency to the clerk budgeting process. CCOC is proud to work with FCCC, and thankful for the continued partnership to advocate for those issues to help the clerks succeed.

In addition to the policy proposals advocated by FCCC, CCOC staff recommends the Legislative Committee discuss advancing a budget proposal. **This proposal would stand apart from the policy ideas advanced by the Association.** This point is important because with a budget deficit of \$3.3 billion over the next two years, **legislative policy proposals with a recurring fiscal impact have little chance of success during this year's session.**

The clerks do not have a traditional entry point into the state's budget. Therefore, a legislative budget request will likely have to come up through requests from individual members in the House and Senate. Once the committee decides the course of action, CCOC staff will work with each chamber to secure sponsors and will advocate the budget issue throughout session.

## AGENDA ITEM 5

**DATE:** January 22, 2021  
**SUBJECT:** Juror Management Funding  
**COMMITTEE ACTION:** Discussion and Committee Action

**OVERVIEW:** In July 2016, the Legislature provided clerks with \$11.7 million in recurring General Revenue to cover juror management costs. The state fiscal year begins in July. This year, through the first three quarters, clerks received \$6.3 million for juror management expenses. The third quarter request (Jan-Mar) was more than the two previous quarters, as jury trials cautiously resumed throughout most of the state. However, with the pandemic's winter resurgence, several courts temporarily halted in-person jury trials at least through the end of January.

In CFYs 2017-18 and 2018-19, clerks spent \$12.1 million and \$12.3 million on juror management. Juror management covers the cost of personnel, summons, juror payments, meals, and lodging for jurors. Last year, as in the previous two fiscal years, clerks were spending more per quarter than receiving from JAC before the effects of COVID-19 reshaped all government entities' spending patterns. CCOC estimates the juror management costs in a typical year are roughly \$12.2 million; however, with the delay in jury trials during 2019-20, it is unlikely clerks will expend the full appropriation during SFY 2020-21.

Most courts reopened in the fall of 2020, and there was an uptick in expenditures during the Oct-Dec quarter. With this uptick, clerks submitted an estimate for the Jan-Mar quarter (\$2.8 million), which is more than the previous quarters. Assuming the effectiveness of the vaccine and courts begin addressing the backlog of cases that need a jury trial, CCOC estimates the fourth quarter (April – June) juror management funding request to be \$3 million. If the estimate is accurate, \$2.4 million of the original \$11.7 million General Revenue appropriation for SFY 2020-21 will revert to the nonrecurring portion of the General Revenue Fund.

Staff recommends the Legislative Committee discuss ideas relating to the potential unallocated General Revenue funds for juror management and provide direction to CCOC staff.

### Potential Options

1. Ask the Legislature to revert the funds and appropriate them for the same purpose
2. Ask JAC and the Legislature to allow clerks to use these funds for technology
3. Ask the Legislature to revert the funds and allow for the use of other court-related duties
4. Combination of ideas / Other ideas

## AGENDA ITEM 6

**DATE:** January 22, 2021  
**SUBJECT:** Bill Analysis Process  
**COMMITTEE ACTION:** Information Only

### OVERVIEW:

Each year, CCOC receives, on average, over 40 fiscal impact bill analysis requests from the Legislature. Also, CCOC provides fiscal impacts for clerk funding bills and other legislation deemed of interest to clerks. CCOC is responsive to all legislative requests and communicates and coordinates with the FCCC Legislative & Policy Affairs team.

### The Process:

- CCOC receives a request for a bill analysis (direct from Legislature, through communication with the FCCC, or by clerks' request)
- CCOC begins tracking the legislation
- Jason L. Welty emails a copy of the bill and a summary to the Legislative Analysis Team and the Legislative Committee for input on the fiscal impact
- As clerks respond to analysis requests, CCOC prepares a draft analysis for review
- CCOC sends draft analyses to Chair Timmann for review
- Chair Timmann coordinates communication and receives input from the FCCC Legislative Team
- CCOC submits the fiscal analysis to the Legislature via the Agency Bill Analysis Request (ABAR) website

### Analysis Tips:

- Provide a little background of the current process
- Identify confusing language
  - For instance, is an "electronic option for payment" an online payment option or that a clerk will accept electronic payment, such as a credit card or ACH?
- Explain how the new process in the bill is different from the current process and be specific
- Provide empirical data, if possible
- If something will require additional FTE, provide the position type or level (entry-level clerk or a supervisory clerk.) and your average salary and benefits of that position.
- Be realistic

## AGENDA ITEM 7

**DATE:** January 22, 2021  
**SUBJECT:** Priority Legislation  
**COMMITTEE ACTION:** Information Only

### OVERVIEW:

CCOC staff reviews legislation for impact on the court-related functions. Through the FCCC Legislative & Public Affairs team's help, CCOC categorizes bills into categories, Priorities, Requested Analyses, Impact, and Monitor.

CCOC will provide periodic updates on legislation throughout committee weeks and through the duration of the Legislative Session. We will code these bills with the following codes:

- "M" (Monitor) – These bills amend a section of law referencing clerks but may not impact the clerks' court-related duties or may only require minor modifications to the clerks' processes;
- "I" (Impact) – These bills have an impact on clerks. For example, an "I" bill may change the Florida Retirement System's annual employer contribution rates. CCOC will often ask for an analysis on these bills even if not requested by the Legislature;
- "RA" (Requested Analysis) – These are bills that are either requested explicitly through the Agency Bill Analysis Request (ABAR) website or via legislative staff; and,
- "P" (Priority) – Priority bills are clerk approved legislative agenda bills or other legislation that may significantly impact the clerks' budget.

Please keep in mind, as the statewide budget office, CCOC focuses mostly on the fiscal impacts to the clerks, especially on the court-related operations. You may also receive requests for information from the FCCC Legislative & Public Affairs Team, as they focus on the entire clerks' office's policy aspects. For instance, CCOC will likely not send public records bills to you, as these bills do not impact the court-related operations until they are incorporated into the Florida Rule of Judicial Administration 2.420. However, since public records bills also impact your official records, FCCC may send you these bills for your review.
