

# How to Get Involved with the CCOC

The CCOC Education Committee supports professional development and training for Florida's Clerks of Court. The committee works to identify learning needs, create educational opportunities, and promote consistent practices across all Clerk offices.

## **1. Complete the Education Committee Input Survey**

Your feedback helps shape future training opportunities for Clerks and staff.

Use the survey to:

- Suggest new training topics or formats
- Share feedback on past CCOC trainings
- Identify skills or areas where your office could use additional support
- Recommend best practices or speakers for future events

Complete the Input Survey:

Visit the Education Committee page on the CCOC website and click the "Training Input Survey" link to share your ideas.

## **2. Attend CCOC Trainings & Meetings**

Participate in quarterly CCOC meetings, webinars, and workshops to stay informed and connected. Meeting materials and meeting minutes are available on the CCOC website.

## **3. Stay Connected**

Receive updates on upcoming trainings and committee initiatives by checking the Education page or contacting CCOC staff.

## **Your Input Makes a Difference**

By completing the Education Committee Input Survey, you help ensure CCOC training and resources meet the real needs of Florida's Clerk offices.

Together, we can continue to strengthen knowledge, performance, and collaboration statewide.
